The following are tax-related measures included in the economic response to Coronavirus: -

The Boosting Cash Flow for Employers measure will provide up to \$25,000 back to business, with a minimum payment of \$2,000 for eligible businesses.

- The payment will be tax free.
- Eligibility Small and medium business entities with aggregated annual turnover under \$50 million and that employ workers will be eligible. Eligibility will generally be based on prior year turnover.
- The payment will be delivered by the Australian Taxation Office (ATO) as a credit in the activity statement system from 28 April 2020 upon businesses lodging eligible upcoming activity statements.
- Eligible businesses that withhold tax to the ATO on their employees' salary and wages will receive a payment equal to 50 per cent of the amount PAYG tax withheld, up to a maximum payment of \$25,000.
- Eligible businesses that pay salary and wages will receive a minimum payment of \$2,000, even if they are not required to withhold tax.

Timing

- The ATO will deliver the payment as a credit to the business upon lodgement of their activity statements. Where this places the business in a refund position, the ATO will deliver the refund within 14 days.
- Quarterly lodgers will be eligible to receive the payment for the quarters ending March 2020 and June 2020.
- Monthly lodgers will be eligible to receive the payment for the March 2020, April 2020, May 2020 and June 2020 lodgements. To provide a similar treatment to quarterly lodgers, the payment for monthly lodgers will be calculated at three times the rate (150 per cent) in the March 2020 activity statement. The minimum payment will be applied to the business' first lodgement.
